

## PESTICIDE USE NOTIFICATION

City of Toronto  
Parks, Forestry and Recreation  
Forestry

<b>District:</b> North York	<b>Forestry Supervisor:</b> Kristjan Vitols
<b>Park / Site:</b> Giovanni Caboto Park	<b>Park Supervisor:</b> Peter Fernandez
<b>Address:</b> 160 Tavistock Road	<b>Ward:</b> 6
<b>Councillor:</b> James Pasternak	

**Note:** Program has been reviewed by the Integrated Plant Health Care (IPHC) Section as being in compliance with current provincial pesticide legislation and has received authorization at the Director level. The Area Ministry of Natural Resources Supervisor has been consulted in the interpretation and application of the Forestry Exception of the Ontario Cosmetic Pesticide Ban. This is to provide notification of site specific applications under the Program. Pesticide Use Briefing Note that describes the Program can be provided upon request. Alternative measures to pesticides have been explored and are used wherever circumstances permit.

### TREATMENT

Specify Product Used: Garlon RTU

Specify Pesticide Class: 9

Active Ingredient(s): Triclopyr

Specify Type of Competing Vegetation: Manitoba Maple (*Acer negundo*), European buckthorn (*Rhamnus cathartica*)
